Lucie Benson School Of Dance is a Performing Arts School located in East Putney. We offer a range of classes, including Ballet, Tap, Musical Theatre, Modern, Contemporary, Acro, Singing and Drama.

We are delighted to share that we will be launching an 'After School Dance Club' at Marshgate Primary School every Wednesday. This new class promises to offer students an engaging and creative outlet, where they can explore the world of dance in a fun and supportive environment. We look forward to welcoming the enthusiastic children of Marshgate and helping them discover their passion for movement and rhythm. We will be offering a Street Jazz Dance class.

Founded in 2005, we offer first class training in the Performing Arts. We run a variety of thriving after school clubs throughout the local community, providing children with enriching opportunities beyond the classroom. Vanessa Lucie (AISTD - BA HONS) is the Principal and owner of the Lucie Benson School Of Dance. Vanessa is a qualified ISTD teacher with many years of dance teaching and professional performance experience. The dance school has assembled an exceptional team of highly skilled teachers, each bringing a wealth of experience to the school. Thanks to this dedicated group, the dance school consistently delivers remarkable exam results and stages impressive productions that showcase their students' talents.

We are so excited to teach the children of Marshgate!
