

Governor profile**From Spencer Hall, Chair of the Children, Families and Community Committee**

I am currently a Marshgate Co-opted Governor having previously been a Parent Governor. I have been a governor since 2004, when my son was in Reception at Marshgate. Both my children have now left Marshgate.

I am chair of the Children, Families and Communities (CFC) sub-committee. With a rather grand sounding name you may wonder what we do! In the recent past the CFC committee's priorities have been the monitoring and evaluation of the school's safeguarding provision, as well as overseeing the extent that children within the school have a voice such as through the School Council. All committee meetings are attended by Ms Jackson and in turn the committee reports to the full governing body.

This coming year, for example, the committee aims to evaluate the well-being provision within the school for pupils.

I am immensely proud of the school and what has been achieved in the past and look forward with every confidence to further success.
